

Portland – South Portland Smart Corridor Plan

Forest Avenue – Route 302 – Route 77 – Broadway

Portland Neighborhood Meeting
 Wednesday, November 1st – 6:00 to 8:00 PM

University of Southern Maine
 Abromson Center, Room 109/110
 88 Bedford Street

Portland Area Comprehensive Transportation System (PACTS) is working with the Cities of Portland and South Portland to improve travel in the Forest Avenue – Route 302 – Route 77 – Broadway Corridor, from Morrill’s Corner to Bug Light Park and SMCC. The overall plan will balance traffic, safety improvements, public transit service, pedestrian access, and bicycle connections to create a vibrant corridor and improve the community’s quality of life.

The meeting will focus on preliminary recommendations for Forest Avenue with emphasis on Morrill’s Corner, pedestrian safety, and public transit enhancements.

Please join us to share your ideas and help us plan for a great future in your community!
